## **Paranormal Geeks** Sharon Day, Julie Ferguson

“Paranormal Geeks” by Sharon Day and Julie Ferguson is an endearing homage to those of us who are into everything from UFOs to psychics, Bigfoot to ghosts, zombies to conspiracy theories. These two humorous paranormal bloggers interviewed dozens of paranormal geeks to find what made them PGs, their types, degrees, and ways they express it in their lifestyles and hobbies. There is a quiz to find out how much of a geek you are and a certificate to honor you in the end. The book also contains a large resources section to get your paranormal geek interests advanced to the next level. These authors take you on a magical journey into the minds of paranormal geeks and in the end remind us that we have found our large and varied tribe. As the authors like to remind us, “we outnumber the normal people.” "Paranormal Geeks" is an overview of an underestimated American subculture. It's good to know I fit in somewhere, and maybe you do too. Take the quiz and find out. (Cliff Barackman, "Finding Bigfoot" show on Animal Planet) "I used to hide my UFO books and articles when my friends would come to visit. I knew it wasn't "cool" to be into aliens and spaceships and I didn't want to explain to them for hours how much they didn't know. Certified GEEK. Finally, a book that represents all those hiding in the paranormal closet! (Ben Hansen, "Fact or Faked: Paranormal Files" Syfy Channel)
