This book explains in detail the most ancient of all spiritual paths called, The Way of the Medicine Wheel. It describes every aspect of the powerful sacred ceremony performed to construct a medicine wheel, and how it can be used to merge the physical and spiritual realms together in our daily lives. The nineteen Teaching Sessions presented in this book also explain the specific steps involved in conducting many ancient ceremonies that, collectively, can create a personal lifestyle that produces peace, harmony, and balance within the Sacred Circle of Life. The words to the songs associated with those ceremonies are printed in the Appendix. In addition, detailed information is given about some of the major Native American prophecies concerning the coming Earth Changes—what most Native Americans call “The Time of Great Cleansing”. The reader will also learn how this ancient sacred path can help people properly prepare themselves for the devastating Earth Changes which are about to engulf us as we rapidly approach the near horizon of time.
