Today women are entering the workforce and leadership field at an extensive rate; however, they are struggling to gain a real perspective on how to get ahead, what is expected, how to build strong alliances, and find work/life strategies. This lack of knowledge is creating a “one step forward two steps back” mentality as the tools required to succeed are hushed. This book focuses on how to shift and pivot into your own power. It explores strategies in leadership, communication, networking, moving forward and success while applying these tools to create harmony at home. Throughout the book, quotes from Pivotal Women talk about their struggles and how they find solutions both at work and at home. It is time to Pivot and shift your perspective to overcome anything that holds you back.
