Book Six in the Ink and Kink series.

Samantha has been dodging her attraction to Taran since they met. But when she turns to him for help, the kinky fantasies she's had about him can no longer be denied.

Master Taran is floored when Samantha comes to him of her own volition. Sensing his chance to end the cat-and-mouse game they've been playing for months, he tests her, convincing her to join him on a dark, sensual journey into bondage and sex. But to collar his switch, he must be willing to submit, something he's never done for a lover.

As their relationship heats up, Samantha's heartbreaking past returns, threatening their chance at happiness. To save her, Taran will need to be more than her Master. He'll need to become her soft place to fall while giving her wings to fly.

*Inside Scoop: Sam's BDSM awakening includes watching a scorching male/male encounter.*
