The Horse's Mouth

Joyce Cary

The Horse's Mouth Joyce Cary

Joyce Cary wrote two trilogies, or triptychs as he later preferred to call them. The first comprises: *Herself Surprised*, *To Be a Pilgrim* and *The Horse's Mouth*. *The Horse's Mouth* is a portrait of an artistic temperament. Its principal character, Gulley Gimson, is an impoverished painter who scorns conventional good behaviour. He may be a bad citizen, but he is a good artist, so wholly preoccupied with his art that he is willing to endure any privation for its sake. Such is his contempt for orthodox mores, he takes a delight in cocking a snook at them. For him there is only one morality: to be a painter. 'Mr Joyce Cary is an important and exciting writer; there's no doubt about that. To use Tennyson's phrase, he is a Lord of Language ... if you like rich writing full of gusto and accurate original character drawing, you will get it from *The Horse's Mouth*.' John Betjeman, *Daily Herald*
