*Ultraterrestrial Contact* investigates the most extreme and bizarre UFO reports—the cases that most UFO investigators are afraid to tackle—and presents a radical new quantum approach to understanding the contact phenomenon.

When Philip Imbrogno collaborated with famed UFO researcher Dr. J. Allen Hynek on *Night Siege*, Dr. Hynek requested that the more sensational cases of “high strangeness”—claims of contact with not only alien intelligence, but also demons, djinn, and otherdimensional beings—remain unpublished. Hynek thought the reports would detract from the credibility of the entire extraterrestrial investigation field. This book reveals, for the first time, the details of these controversial reports and presents Imbrogno’s startling scientific conclusions from his thirty years of research into the alien contact phenomenon.
