The Shooting Gallery: & Other Stories (New Directions Classics) Yuko Tsushima

Eight stories by one of Japan's most important women authors concern the struggles of women in a repressive society. An unwed mother introduces her children to their father . . . A woman confronts the "other woman" . . . A young single mother resents her children . . . These stories touch on universal themes of passion and jealousy, motherhood's joys and sorrows, and the tug-of-war between responsibility and entrapment.
