It happens every spring. The air and the earth begin to warm...Mother Nature wakes up from her long winter's nap, yawns, stretches...and Tornado season is born! This science family chases the tornadoes to learn more about these dangerous storms as part of Dad's research. Believe it or not, there's fun in funnel clouds unless you get too close!

Join this brother and sister team as they accompany their scientist dad on hair raising adventures. Children ages 7-14 will be thrilled as the characters try to save the day. The kids also learn a lot about science. What child can resist learning about the power of mother-nature and the tools to stay safe as these interested kids confront nature head-on!

Each mystery incorporates history, geography, culture and cliffhanger chapters that keep kids begging for more! Each mystery includes SAT words, educational facts, fun and humor, built-in book club and activities. Each Carole Marsh Mystery also has an Accelerated Reader quiz, a Lexile Level, a Fountas & Pinnell guided reading level and a Developmental Reading Assessment.
