Understanding Drama Cleanth Brooks

This early work on drama is both expensive and hard to find in its first edition. Its 754 pages contain a wealth of information on the different types of play and gives instructional critiques on how to perform them. This is a fascinating work and is thoroughly recommended for anyone interested in the skills of acting. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
