## **Alpha Land: Bullies...Males...and How the Angry Rule (Volume 1)** Mr Tom Evans

In a work that traces the development of Hyper-Masculine culture as rooted in the pre-human antecedents of Homo Sapiens, Tom Evans describes the aberrant onset of individualism and authoritarianism in western and Islamic cultures. In doing so he exposes the mythological idolatry of the Male, an idolatry that feeds the hierarchies of power, wealth, and entitlement. Alpha Land explains how cultures of rugged individualism are actually cultures of gender bigotry, conformity, anxiety, and immaturity. The work depicts how religion, government, economics, and myth reinforce one another in sustaining wealth and power in the hands of a false alpha class.
