Il libro delle anime Glenn Cooper

The Library: Only a handful know it exists . . . It holds the world's most astonishing, and terrifying, information . . . But the one book that is the key to the greatest secret of all time . . . is missing.

Former FBI Special Agent Will Piper solved-and survived-the "Doomsday Killer" case . . . and his reward was a forced early retirement. But the shattering truths he learned about the government's most covert operations won't let him rest-and now he's on the trail of a mysterious volume that's been lost for six centuries. This is the book that inspired Shakespeare and the prophecies of Nostradamus, and once Will gets his hands on it, his life will be worth nothing...

È un semplice libro antico, ma custodisce un segreto. Un segreto che è stato scritto col sangue nel 1297 da innumerevoli scrivani coi capelli rossi e con gli occhi verdi, forse toccati dalla grazia divina, forse messaggeri del diavolo. Che è riapparso nel 1334, in una lettera vergata da un abate ormai troppo anziano per sopportare il peso di quel mistero. Che, nel corso del XVI secolo, ha illuminato la strada di un teologo, i sogni di un visionario e le parole di un genio. È un semplice libro antico, ma sta per scatenare l'inferno. Perché quel libro dovrebbe trovarsi nella Biblioteca dei Morti, la sconfinata raccolta di volumi in cui è riportata la data di nascita e di morte di tutti gli uomini vissuti dall'VIII secolo in poi. E, dopo essere rimasto sepolto sotto la polvere della Storia per oltre settecento anni, adesso è riemerso ed è diventato un'ossessione per Will Piper, deciso a cancellare il dolore che la Biblioteca ha portato nella sua vita; per Henry Spence, che ha dedicato la sua esistenza alla soluzione dell'enigma e che ormai ha i giorni contati; per Malcolm Frazier, il capo della sicurezza della Biblioteca, determinato a uccidere pur d'impedire al mondo di conoscere la verità...
