While the Advent season is filled with fun and expectations, Lent can be hard for children. It's travels through frightening places, loaded with themes of self-denial and death. How can children approach this season in a way that is meaningful and not frightening? *Make Room* presents Lent as a special time for creating a welcoming space for God. Other books offer excellent ideas for going through the Lenten season with children, but *Make Room* uniquely connects its projects to the story of Jesus. Simple and practical activities such as baking bread, having a neighbor over for dinner, uncluttering your room, and watching less TV become acts of justice and kindness, part of a life of following and imitating Christ, and a way to make room for God in our lives and in the world around us.

Other books tell the Passion narrative for young readers; this unique book integrates themes of hospitality and self-giving that echo Jesus' ministry, Jesus' entire life. *Make Room* invites children to wonder about the story, to encounter Lent with all their senses, and to experience activities in Lent as part of a life of discipleship.
