\*NOTE: "Introduction to the Korean Alphabet (Hangeul)" is a part of the book "Korean Made Easy\_Starter."

This ebook targets those who have no reading knowledge of the Korean alphabet (Hangeul).

The formation of syllables, the pronunciation, and the sentence structure of the Korean language are very different from those in English. This book takes a look at those differences and uses illustrations to easily present pertinent information that English speakers should know before beginning to study Korean.

Part 1 presents a simple general overview of how Korean vowels and consonants are formed and also shows the structure of Korean syllables.

Part 2 explains how the structure of Korean syllables is very different from English by showing how Koreans read English loan words.

Part 3 covers differences in sentence structure between English and Korean and helps readers attain an overall understanding of Korean sentences.

And more ...
