Pride & Ownership: A Firefighter's Love of the Job -- Audio Book Rick Lasky

Chief Rick Lasky takes a hard look at the fire service and finds it short on the only element that makes it effective: passion. Chief Lasky gives an upfront and honest criticism about the need to reignite the love of the job on every level, from chiefs and on down.

In his personal welcome to the audio book version of *Pride & Ownership*, Chief Lasky wrote: "The book is a living, breathing testament of how the fire service should be and the respect, honor, and admiration that it deserves. Whether you're new to the fire service, been in it for years, or retired, it'll get you fired up, the way you were when you walked into the firehouse for the very first time."

Every day Chief Lasky remembers why his job is the best in the world and he brings that passion to *Pride and Ownership*. Lasky revisits the proud history and tradition of the fire service and reflects on the family values and brotherhood that have made firefighting a truly family-oriented vocation.

Special Features: History and traditions of the fire service with overviews of some of the most important fire service leaders; detailed explanation of ceremonies for all occasions from a firefighter's initiation to retirement; professionally narrated by Jack Shook; perfect for uploading to your MP3 player.
