Can you imagine what it was like to be a soldier during the Gulf War? All four major branches of the United States military (the Air Force, the Army, the Marines, and the Navy) participated in the fighting, working together towards a common purpose with soldiers and support from some 39 other countries. Beginning on January 17, 1991 and lasting until February 28 of the same year, the Gulf War was the first major war fought by the United States since the Vietnam War. Have you ever heard anyone talk about the Gulf war? Do you know anyone who fought in it?
