The Moral Demands of Memory

Jeffrey Blustein

The Moral Demands of Memory Jeffrey Blustein

There is considerable contemporary interest in memory, both within the academy and in the public sphere. Little has been written by moral philosophers on the subject, however. In this timely book, Jeffrey Blustein explores the moral aspects and implications of memory, both personal and collective. He provides a systematic and philosophically rigorous account of a morality of memory, focusing on the value of memory, its relationship to identity, and the responsibilities associated with memory.
