Created by a mom and designed specially for babies and toddlers, the *Baby Einstein* series offers fun and stimulating ways for parents and caregivers to interact with their children. In this entry, Bard is a little gecko who rhymes all day long, from sunrise to nightfall. Wherever he goes he finds a rhyme, and he dares young readers to find their own rhymes. *Baby Einstein: Las rimas de Bard* introduces young children to rhyming words and the fun of playing with language and sounds. Their journey takes them around the house and outdoors to show them a variety of everyday objects. Using lift-the-flaps, the book's bold, colorful illustrations stimulate the imagination of toddlers while they uncover images of everyday objects.
