Whether you lead a team, or belong to a team, if you want your team to be the best it can be, then this book is for you! You will learn:

How To Identify Which Stage of the Team Life-Cycle Your Team Is In

Every team goes through this team life-cycle and when you know what the characteristics of each stage of the team life-cycle, you will know how to address the needs of each stage and continue to progress to the next stage. You will also know why teams decline and the differences between high-performing and low-performing teams.

How To Create Teams That Are Highly Engaged and Autonomous

Never before has the concept of highly functioning teams been more important to the success of organisations than it is right now in this new economy. This book will show you how to build up a team, no matter where you are starting from and elevate the results of all involved.

How To Define The Pivotal Roles That Are Needed For A High-Performing Team

Unless team members clearly know what their roles are, it is almost impossible to have a high-performing team. You will learn what the key principles are that will increase productivity and accelerate the results of your team and you will also know what each person's role should be when building high-performing teams. If you lead teams, then you will know exactly what you need to do in order to apply the principles identified in the book.

How To Overcome The Top Challenges When Developing High-Performing Teams

There are some common challenges that almost all team face and you will know what they are and what to do when those challenges do come up. You will also know what steps you need to take to implement high-performing teams in your organisation or community. Miss these steps and you greatly reduce your chances of having a thriving, flexible, engaged and motivated team.
