Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, how they need it, so that your class time is more engaging and effective.

Cowan's *Microbiology Fundamentals: A Clinical Approach* is **The Perfect Fit** to align with your course.

- The author team includes a practicing nurse to help students see how the content fits in their lives and relates to their future career on every page.
- A briefer text means all core concepts are covered, but streamlined to better fit the length of your course.
- A more modern, visual text and digital learning package fits with today's students and the way they learn.
