Holiday Affair Annie Seaton

Staid professor Lissy McIntyre believes that choosing a mate should be based on common sense, not runaway passion. And she would certainly never pick a rolling stone like Nick Richards for long-term love. But a red-hot, tropical romance? Oh, yeah. He's got a body just made for sinning and his sizzling kisses leave her senseless. When Nick blows into town, he's stunned to discover that his no-nonsense new neighbor and co-worker is the same sultry creature he seduced for one night of forbidden island pleasure. He's unaccustomed to staying in one place for long, but he just can't seem to keep his hands off the multi-faceted woman. Will Nick break loyal Lissy's heart or will she be the one woman he simply can't walk away from?
