My Brother, the Pope

My Brother, the Pope Georg Ratzinger, Michael Hesemann

It wasn't always the case that Msgr. Georg Ratzinger lived in the shadow of his younger brother, Joseph. Georg was an accomplished musician, who for over 30 years directed the Regensburger Domspatzenchor, the world-famous boys choir of the Regensburg cathedral. Brother Joseph was a brilliant young professor, but mostly known in German academic circles.

Now Georg writes about the close friendship that has united these two brothers for more than 80 years. This book is a unique window on an extraordinary family that lived through the difficult period of National Socialism in Germany. Those interested in knowing more about the early life of Benedict XVI will not be disappointed. They will also learn of the admirable character and inspiring example of the parents, and see how the Catholic faith can shape not just a family, but an entire culture—in this case, that of Bavaria.

Georg's reminiscences are detailed, intimate, and warm. And while they begin with the earliest years of the Ratzinger family, they continue right up to the present day.

This is not simply a book to satisfy curiosity about a "celebrity", though it certainly does that. It's a beautiful portrait of Catholic family life and, in the most literal sense, of enduring fraternal charity. Georg has a talent for telling a story, and the co-author fills in some of the larger historical background. The many photographs, both in black and white and in color, round out a thoroughly enjoyable and inspirational book. **Illustrated with 47 photographs.**

"Msgr. Georg Ratzinger's evocative portrait of the Bavarian Catholicism in which he and his brother, the future pope, were raised, offers 21st century readers an intimate glimpse of a lost world that clearly lives on in the minds and hearts of a great musician and a great theologian. The scenes sketched so ably by Msgr. Ratzinger also shed new light on the experiences that shaped some of the thinking of Benedict XVI about the reform of the Church and the future of Europe."
