Dora Mohammed:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.
