Infinite Sacrifice (Infinite Series Book 1) L.E. Waters

Maya's shocked to discover it's not the heaven she imagined; in fact, a life of adventure begins the moment you die.

Zachariah, her faithful spirit guide, explains the rules of the dead: in order to regain complete awareness and reunite with loved ones all souls must review their previous lives.

Maya plunges warily into her turbulent pasts as a sociopathic High Priest in ancient Egypt; an independent mother protecting a dangerous secret in glorious Sparta; an Irish boy kidnapped and enslaved by Vikings; and a doctor's wife forced to make an ethical stand in plague-ridden England.

All the while, Maya yearns to be with those she cares about most and worries that she hasn't learned all of heaven's most vital lessons. Will she be forced to leave the tranquility of heaven to survive yet another painful and tumultuous life? Or worse, accept the bitter reality of having to go back alone?

*Special note: This is a true series, meaning that it is not a stand alone. Each book in the series wraps up the conflict within the book, but the overall story continues on to the next book. I also want to direct you to my website where you can download and print out the charts that can be difficult to read on electronic devices (<http://infinite-series.net/charts/>). That way you can keep it nearby as you read. Happy reading!
