Silent Tears: Emotional Thoughts Poetry Tiffany T Hill

Tiffany T. Hill is an artist, and poetry writer from New York City. She has selected her poems about past relationships and put them all together in one book she named Silent Tears. She waited 10 years to put both old and new poems from her collection together. She used those years to evaluate her growth and maturity. She learned throughout the years about different personality types, and what to accept and not accept in relationships. Today she is a wiser woman who has learned from her mistakes and she no longer allow herself to go through unnecessary drama with anyone. She hope that she can help and inspire other women to recognize their self-worth and open their eyes to see others for who they really are and not what they wish these people would be. She put together Silent Tears to let other women and maybe men know that they are not alone and that she has probably been through similar situations as them. She wrote her poems to show others she can relate to their pain if it's similar, and that she understands. Silent Tears consist of 41 poems. She hopes that one day others will learn how to love themselves more and break free from the drama of unloving people. Adult Content must be 18 or older
