Around The World In 80 Lays Melanie Curtin

Around The World In 80 Lays is *Sex & The City* meets *Eat, Pray, Love*: a fun, funny, and above all sexy collection of one young woman's (true) international travel dating adventures. Whether getting frisky with a trapeze artist at a sultry resort in the Caribbean, pushing the limits of the employer/employee relationship on a London rooftop, or attempting to resist the advances of her very own Mr. Big on a beach in the Hamptons, Curtin inspires women to unleash their inner vixen by unabashedly expressing her own. Both entertaining and insightful, *Around The World In 80 Lays* gives an insider's glimpse into what women are REALLY thinking when it comes to sex. "*Around the World in 80 Lays* is a first-person romp of epic proportions through today's landscape of attraction, sex, relationships and choice -- as told by one of the Millennial generation's rising voices. At turns provocative and poignant, *80 Lays* is the most fun you can have with Melanie between the covers this side of ... well, you know."
