**Sometimes first loves burn bright, then flicker out. But in this heartwarming eBook novella from RITA finalist and *New York Times* bestselling author Ruthie Knox, it's never too late for a second chance at true love.**

Ambitious and driven, Carson Vance couldn't wait to escape the small town where he was born. But now that Carson is back to spend Christmas with his ailing father, he must face all the people of Potter Falls he's left behind. Topping that list is Julie Long, who's sacrificed so much for Carson's family, and whose heart he broke once upon a time. Now the proprietor of the local inn, Julie has blossomed from a shy schoolgirl into a successful, seductive, independent woman—everything that Carson's looking for in a relationship. But despite several steamy encounters under the mistletoe, Julie refuses to believe in happily ever after. Now Carson must convince Julie that he's back for good—and that he wants her in his life for all the holidays to come.
