Southern Mail and Night Flight Antoine de Saint-Exupery

Antoine de Saint-Exupéry, an intrepid and eccentric adventurer, transferred his passion for flying to the written word by writing several classics of aviation literature, including *Southern Mail and Night Flight*. Based on Saint-Exupéry's trail-blazing flights for the French airmail service over the Sahara and later, the Andes, these two novels evoke the tragic courage and nobility of the airborne pioneers who took enormous risks, flying in open cock-pits in planes that were often fragile and unstable.
