This workbook is designed to be used by beginner readers, struggling readers and children with dyslexia. This is a delightful workbook for dyslexic students.

This book teaches children about 21 wild animals and introduces them to 100 words that they need to learn to spell by age 10.

This book is perfect for dyslexic students because it uses art, logic and coloring to help them learn to spell several sight words that are hard for dyslexics students to remember.

This book is created by Anna Brown and Sarah Janisse Brown - the author and developers of Dyslexia Games Therapy.

A workbook, coloring book and activity book for teaching and homeschooling children with serious reading and spelling problems.

Anna is the author of the animal poems in this book and she the artist who created all the animals drawings. Anna is a 15 year old student with dyslexia who wants to help dyslexic children to learn to read, write and spell while having fun!
