Anal Sex: How to Eat Ass, Rimjob Things You Need To Know To Make 'Em Moan And Beg For More. AJ Jenkins

Over the years I've become really good at Eating ass! Like really, really good. I learned about Rimjobs by accident online while looking at porn when I was 14. I tried it on a girlfriend shortly after; got a good reaction and ever since I've been obsessed. I tried all sorts of things and have accumulated "data" on what works, what doesn't, and what makes them moan as their faces turn hot red while they're bodies shiver for more.

Now a 27 year old man, I can tell you this....The best Rimjob requires skill and a precise sequence of sexual anticipation building. It's the ultimate foreplay leaving your partner the ability to Masturbate while you Eat their awaiting ass.

It's also still considered relatively kinky so throwing this in your skill set will most definitely give you a sexual edge over others.

If you wanna hear what I've been hearing after nearly every sexual encounter I've had... like: " Fuck, oh my god.....lick it!" or " No one does that like you!" or " Ooooooh, that feels soo good, I love it!" or " I haven't had my ass eat'n like that in years!" or " You are literally the best ass eater ever" or " I've never ever felt that before!"
