Its All Fetaing Greek To Me: More Brit's Abroad. Steve Hopkins

One Small Greek Island, Two couples, One Week.

What could possibly go wrong?

Have you ever considered what you really know about your friends?

People you meet socially, invite for dinner parties, have the odd day out with.

People and couples who appear so nice, courteous and friendly in short, sharp doses?

What are these people really like when you are with them for seven whole days, one hundred and sixty eight long hours?

How do they react to travel, foreign lands and food?

These are just some of the questions you need to ask, before you even contemplate agreeing to holiday with them.

Take my advice,

Never, Ever Take A Holiday With Friends, If You Want To Keep Them.

It's All Feta-ing Greek To Me, a humorous novel that follows two couples as they holiday on a small Greek island.

Harold works hard and travels virtually every week of the year. He and Sam, his wife, just love to take the odd week away, on a small Greek island, Spetsis.

Spetsis is a little scruffy and worn around the edges, an island that offers NO Michelin star restaurants, NO trendy discos. NO designer shopping and it's just perfect.

This is Harold and Sam's perfect bolt hole, that hidden little oasis, far from the modern world, that they keep a personal secret.

Until, Harold makes the mistake of the year

The Dinner Party

As the words slipped out I knew I'd made a massive mistake. What was I thinking of?

"We are going on a week's holiday to Spetsis. I booked the flights this morning and they were a real bargain."

What was I thinking? What was I saying? The evening then turned from bad to worse.....

John and Sandra, Harold and Sam's hosts pounced.

"Wouldn't it be nice to go as a foursome?"

"It's All Feta-ing Greek To Me" is born.....

A humorous tale full of mayhem, surprises, lessons for life and truth.

Required reading for anyone contemplating sharing a holiday, with family, friends, neighbours, work mates and for everyone who enjoys a rib tickling chuckle about Brit's abroad.
