Only Love Is Real: Embracing Pure Simple Love Tom LaRotonda

“Tom LaRotonda shares the power of real love and how to practice deepening into this dimension of loveliness in our own lives. You will find yourself slowing down as you read this book and possibly opening up to the greatest power in your life.”

—Tama Kieves, bestselling author of *This Time I Dance!* and *Inspired & Unstoppable: Wildly Succeeding in Your Life's Work!* (www.TamaKieves.com)

“Tom LaRotonda may be one of the first great voices of our time. His new book speaks with a level of honesty and directness that is refreshing and timely for the brave new world we find ourselves in. Back in the day, we needed ‘voices in the wilderness’ to tell us we needed to change. Tom is part of an emerging group of teachers who now tell us how to do it in real-world terms. Unflinching and honest ... Tom is providing us with a blueprint for how we can live in a world moving in a new direction. This book is not good reading, it is required reading.”

—Chet W. Sisk, leadership development specialist with the United Nation's World Assembly of Youth.

As long as worldly love continues to be considered our means of salvation, we will forever experience war, greed, hunger, disease, homelessness, and every other form of pain and suffering that the dream can create. This book is not about vastly improving worldly love into something newer, better, and bigger. That strategy has gone on for centuries, yet world peace has never been achieved. This book is one soul's humble yet dedicated attempt to truly connect with those who will listen, and inspire them to stop and hear the magnificence of their heart; and to put aside the ego's insane influence and ask one simple question: “What has my strong allegiance to the illusions of this world truly created in my life?”
