Rising Above the Wave Walt Christie

On March 10, 2011, Walt and Ellie Christie boarded a plane in Los Angeles for a life-changing trip to Bhutan. As they flew over the Pacific, the plane crossed over a huge tsunami generated by Japan's Tohoku earthquake. At about this time, Walt suffered a stroke and was left paralyzed and unable to speak. When the plane made an emergency landing in Osaka, Japan, to let them off, Ellie was left with an impaired husband in a country in disaster where she found no one who spoke English. This is the story of Ellie's state of mind, their eventual medical evacuation, Walt's recovery, and the way the world changed for both of them.
