"Not since Nora Roberts has anyone been able to write a big family romance series with every book as good as the last. Bella Andre never disappoints." Revolving Bookcase Reviews

BOOK DESCRIPTION: As a very successful private investigator who has caught most of the cheaters in Seattle with their pants down, Rafe Sullivan believes true, lasting love only happens once in a blue moon. Needing to get away from the city to clear his head, he finds the lake house where he spent the best summers of his life is now a wreck...but the sweet girl next door is all grown up and prettier than anything he's ever seen.

While Brooke Jansen is happy making and selling chocolate truffles in her small Pacific Northwest lake town, she secretly longs to experience something wild. So when her favorite "Wild Sullivan" moves in again next door after more than a decade away, and sparks fly between them, she can't stop wondering if being bad is really as good as it always seemed...and just how long it will be before she can find out.

But when their summer fling quickly spirals into deeper emotions than either of them were expecting, can they survive the heat between them? Or will Rafe make the biggest mistake of his life and end up losing the best thing that's ever happened to him?

THE WAY YOU LOOK TONIGHT is part of Bella Andre's New York Times and USA Today #1 bestselling Sullivan series. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other Sullivan books, too.
