The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror Robert Doyle

Revelations of abuse at Baghdad's Abu Ghraib prison and the U.S. detention camp at Guantánamo Bay had repercussions extending beyond the worldwide media scandal that ensued. The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war, or EPWs, from the war on terror marked a watershed moment

in the study of modern warfare and the treatment of prisoners of war. Amid allegations of human rights violations and war crimes, one question stands out among the rest: Was the treatment of America's most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation's military history?

Military expert Robert C. Doyle's *The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question. Historical as well as timely in its content, this work examines America's major wars and past conflicts?among them, the American Revolution, the Civil War, World Wars I and II, and Vietnam?to provide understanding of the United

States' treatment of military and civilian prisoners. *The Enemy in Our Hands* offers a new perspective of U.S. military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to

the next. In addition to other vital information, Doyle provides a cultural analysis and exploration of U.S. adherence to international standards of conduct, including the 1929 Geneva Convention in each war.

Although wars are not won or lost on the basis of how EPWs are treated, the treatment of prisoners is one of the measures by which history's conquerors are judged.

From reader reviews:

Paul Eastman:

Nowadays reading books be than want or need but also work as a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want drive more knowledge just go with schooling books but if you want sense happy read one along with theme for entertaining like comic or novel. Often the The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror is kind of guide which is giving the reader erratic experience.

Gary Sandler:

Reading a reserve tends to be new life style with this era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire their very own reader with their story or their experience. Not only the storyplot that share in the textbooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some study before they write on their book. One of them is this The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror.

Mindy Marcotte:

Many people spending their time frame by playing outside along with friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by examining a book. Ugh, you think reading a book can really hard because you have to use the book everywhere? It alright you can have the e-book, having everywhere you want in your Cell phone. Like The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror which is finding the e-book version. So , why not try out this book? Let's see.

Palmer Schwartz:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror can make you feel more interested to read.
