The Environment as Hazard, Second Edition (Paperback) - Common With Gilbert F White, With Professor Robert W Kates By (author) Ian Burton

The disastrous effects of natural hazards such as earthquakes, floods, and hurricanes are often called Acts of God.' Challenging that view, this work depicts natural hazards as extreme events in nature that are made even more dangerous by the acts or the neglect of people. Since the beginning of the 20th century, the toll on society resulting from such environmental episodes has changed signific
