The Longest Journey Classroom Edition: With Questions for Discussion

E. M. Forster

The Longest Journey Classroom Edition: With Questions for Discussion E. M. Forster

Forster's second novel, *The Longest Journey*, is an emotional bildungsroman described by the author himself as the book "I am most glad to have written." The novel follows the character of Rickie Elliot from his Cambridge days through a problematic engagement and involves compelling secondary characters such as the illegitimate half-brother Rickie never knew existed. Lionel Trilling described the novel as "Perhaps the most brilliant, the most dramatic, and the most passionate of [Forster's] works." This classroom edition contains questions for discussion after each of the thirty-five chapters and also for the entire novel. Any reader should gain insight into the novel from this classroom edition.
