The Path of Synchronicity: Align Yourself with Your Life's Flow Allan G. Hunter

A combination of Jungian study, literary analysis, and therapy, this guide offers a powerful vision for capitalizing on synchronicity to instill peace in the self and the world. Synchronous moments are more than pure chance, coincidence, and dumb luck; this book shows that by recognizing them as a connection to a much larger, older pattern, readers can use the myths of culture and 1,000-year-old civilizations to guide themselves out of suffering and into tranquility. Starting with a new explanation of synchronicity and then offering practical instructions and exercises to tap into this collective wisdom, the book helps readers identify the mythic patterns that guide humanity, allowing them to face inner monsters without fear, convert them into love and compassion, and relax as part of a universal harmony.
