Here is just a small sip of what's in this vintage bottle:

- The Basics Of Making Wine At Home - Exactly what you need to get started including a complete introduction for newbie's who have never tried to make wine before.

- The essentials of home wine making & how applying some little-known secrets can transform your home wine from "nice" to "incredibly flavorsome."

- Which common utensils & equipment to use (you'll almost certainly have these at home.)

- In-depth tutorials on The Art Of Fermentation, Fermentation Aides, The Clearing Process, Sterilization, Siphon, Bottling, How To Store Wine, Maturing, All About Yeast & Much much more (the book itself is over 70 pages long.)

- The "Natural Enemies" to successful wine making from home & how to stop them dead in their tracks.

-Over 90 step-by-step recipes & tutorials on making the wine or liquor that you want to make - you just can't find this level of depth anywhere else.

- The common ingredients available at home that can be used when you can't find the special ingredients that some wines supposedly require.
