Aiden Wright is trying to figure out who he really is, but the truth could cost him his true mate—or his life.

Life has always been easy for Aiden Wright. He's smart, athletic, funny, and the ladies adore him. But when tragedy strikes, Aiden discovers the truth about who he really is and his whole world comes crashing down around him. Aiden thought that being a teenage werewolf was going to be awesome, but it might just cost him the one girl who could make him whole.

Since her mother's disappearance, Teagan Rhodes's life has been littered with her father's empty beer cans and his hollow promises to change. Convinced that others would only let her down, she keeps everyone at arm's length—but resisting Aiden's charm is proving to be more difficult than she thought. Throw in a psychotic werewolf hunter out to terminate the species and one wrong move, one wrong decision could destroy everything.
