This book will teach you a new way to communicate which gets to the heart of things! By asking Clean Language questions to explore the metaphors which underpin a person's thinking, you can help people to change their lives in a way that intrinsically respects diversity and supports empowerment. Both you and they will gain profound new insights into what makes them tick. The approach was originally used to help clients to resolve deep trauma. It is now being used to get to the truth and to solve complex problems by some of the sharpest and most innovative people in the world - coaches, business people, educators, health professionals and many others.
