**Everyone remembers their first time.**

**My first one-night stand happened in Jamaica...*on my honeymoon.***

The evening did not start out well. I was in Jamaica on my honeymoon that wasn't, abandoned at a nudist resort by my best friend, and I was wearing a toga.

All I knew about Liam was that he was Scottish, an apparent fan of Carly Rae Jepsen, and the most gorgeous man to ever exchange words with me...

...and he wanted me to go "fishing" with him...at night...*alone.*

Did I mention he was gorgeous?

"You won't regret it, I promise you," Liam said, crossing his heart. "Look, your hotel is 10 minutes down the road, on the way to my secret fishing hole. If you decide I'm a dangerous serial killer, I'll drop you off, no hard feelings." He smiled at me, and for a tiny second, I didn't care if he was a serial killer.

*Secret fishing hole, my ass!* my mother's voice said in my head. *Rhonda! Do you want to wake up dead in a ditch?*

No, we wouldn't want that...but would it be so bad to wake up next to Liam?

"Okay," I told him, taking a deep breath and a big chance. "You've got 10 minutes to convince me."

*Oh, God, please give me a good enough reason to go scary night-fishing with you, Handsome Stranger with the Sexy Accent!*

Liam gave me a lot more than that...and in the space of a couple of days, I was blowing up bridges and setting course for a life I never imagined I would lead. Was I really going to go through with this?

**This book is recommended for 18+. Contains adult situations and language.**
