He's discovered she's his baby's mother—so now she will be his bride!

Maribel has always tried to be practical about the night of passion she shared with Leonidas Pallis. She was a shy virgin, so being taken to bed by the impossibly handsome Greek tycoon must have been a oneoff—probably brought on by his need for comfort rather than an overpowering lust for her. However, unbeknownst to Leonidas...Maribel conceived his child.

But now Leonidas is back, and it doesn't take him long to discover that he is a father. True to form, he wants what he feels is his: his baby boy and Maribel—at his beck and call whenever he cares to drop by. But Maribel's having none of it. The only way Leonidas will claim her and their son is if he takes her...as his bride!
