THIS IS A "HOW TO" FIELD MANUAL TO BE A MALE STRIPPER titled – “The Quintessential Guide to Becoming a Male Exotic Dancer”. I wanted to write something to help dancers and agencies...but mostly dancers get a head start. My first year was fun, but challenging. As we all know, this is a “learn as you earn” industry. Though there is nothing wrong with that, I found that learning from other people and many of them giving me “pointers” was not only confusing, but some of those pointers didn’t work for me. It wasn’t until I got through my first year I found my own way. My book covers everything from music selection, how to put together a costume, selling the fantasy ...after all we do provide a temporary escape from reality people. Most importantly I place an extreme emphasis on professionalism and customer service. The patrons are our customers and without there business our industry would not exist.
